Dear Buyer01,

You recently completed a purchase transaction with Seller at the market venue site AuctionZ using the id Buyer01. MyStoreCredit.com has validated your transaction and we are happy to confirm that you are entitled to an automatic \$2.00 store credit from Seller as a bonus with your purchase.

You can use your \$2.00 store credit as a cash equivalent on anything you buy from Seller at AuctionZ before January 12, 2004. To help you remember to use your store credit before it expires, MyStoreCredit.com will also periodically remind you by email of your \$2.00 store credit.

To use your store credit, simply make your next purchase from Seller like you would do for any product or service at AuctionZ. Then, MyStoreCredit.com will automatically verify that next purchase and send you and Seller a validation email reminding both of you to apply the store credit to the purchase price. After our notification, all you have to do is subtract your \$2.00 store credit amount from the final item price and pay that amount to Seller. Seller has agreed to accept the item price less your \$2.00 store credit as payment in full on your next purchase.

On behalf of Seller, we would like to thank you for your business and we hope you'll enjoy your future purchases at AuctionZ again.

Sincerely,
MyStoreCredit.com

Within the last hour, I have purchased item number 2259 for \$39.00 at AuctioZ and I want to use my open store credit of \$2.00 for this transaction. The seller id name was Seller.

To: Buyer01@yahoo.com, Seller@yahoo.com

From: MyStoreCredit@MyStoreCredit.com

Subject: Apply store credit

Date: Sat, 19 Sep 2003 8:01:37 PST

Dear Buyer01 and Seller,

MyStoreCredit.com has received notification of your recent closed transaction for item number 2259, at AuctionZ. As indicated in your expressed bonus store credit agreement, your existing bonus store credit amount of \$2.00 should be applied to the final item selling price of \$39.00 for item 2259.

Therefore, Buyer01 should pay \$37.00 as the final item price for item number 2259. Seller agrees to accept the \$37.00 as payment for the item price on item 2259. Please note, Buyer01 should still pay any shipping or handling charges in full as outlined on the selling page for item 2259. The bonus store credit applies only to the final item price.

MyStoreCredit.com would like to thank you for your business and we hope to serve you again in the future.

Sincerely,
MyStoreCredit.com

If you have any further questions about this bonus store credit transaction, please visit your personal portal page at MyStoreCredit.com. Any other question should be resolved by the asking party sending an email to the other party. Email addresses for both parties are listed in the above address field.

Seller is still obligated to AuctionZ for any fees based on the original item price of \$39.00. At this time, MyStoreCredit.com will consider the \$2.00 open store credit to be used in full for item 2259. MyStoreCredit will cancel the store credit and it will not be available for any other future use unless Seller, solely at Seller's discretion, re-instates the bonus store credit. MyStoreCredit will notify both parties if a reinstatement occurs.

This bonus store credit is being offered to Buyer01 by Seller. MyStoreCredit only administers the program. The store credit is owed to Buyer01 by Seller and MyStoreCredit is not responsible for Seller fulfilling the store credit obligation to Buyer01. The store credit is non-transferable and can only be applied to purchases made using the same buyer ID listed in the initial transaction.
